Subject: SEP 14 Phase II

Dear Andy,

After a long hot summer, today I forwarded to the SMT the Phase II of SEP 14 provided by Dominic Alexander of Exponent. I didn't include you on the original email with attachment given that it needs review and approval by the SMT, but did ask for rsvp's for a conference call September 11 at Noon EDT. Let me know if that works for you.

Best,

Liz
